Git  
GitHub,  
Microsoft office patch  
Computer Skills

## Languages

Arabic (Mother Language)

English (B1)

## Profile

As an enthusiastic Information Technology Engineering student, I am driven by a passion for technology and a commitment to creating innovative solutions. With a solid academic foundation in programming, machine learning, and system design, I bring both theoretical knowledge and practical skills to every project. I am eager to expand my expertise in programming and system design, and I thrive in collaborative environments where impactful, real-world challenges can be addressed. My goal is to leverage my skills and creativity to contribute meaningfully to technological advancements and groundbreaking projects.

## Education

**Information Technology engineering, Alsham Private University, Damascus**
